

### **SoulSanity – Pop / Funk / Soul from Austria**

In their own compositions, the collective combines the legendary Motown era with today and the influences of pop music. SoulSanity's songs tell stories written by life, but also of dreams that still need to be lived. Packed in varied arrangements, each song has its own special touch. The band set their unique sound to music on their debut album "Journey" and takes the listener on a journey to the planet of funk & soul.

The unmistakably soulful voice of singer Kathrin Hörtenhuber (born Bachner) is supported by a 5-strong, absolutely funky rhythm group and two great background vocals guarantee a varied sound experience and a unique show to dance, celebrate and enjoy. SoulSanity delivers a musical firework of the extra class.
